

**Ergotech Action** is the name given to the next generation of Bristol Uniform's ergonomically designed range which has been developed after careful research into the different types of tasks firefighters perform in their ensembles.

Using the latest materials designed in close collaboration with the world's leading fabric manufacturers, the **Ergotech Action** incorporates features to maximise freedom of movement while not compromising on operational protection.

Combating wearer heat stress has been a key focus in the design process and the new range helps reduce internal body heat build-up for greater safety under extended operational conditions.

The **Ergotech Action** series incorporates a number of innovative features including –

**Coat:**

- Collar and throat tab shape provide optimal compatibility with helmet and flashhood.
- New shoulder shape and increased upper sleeve allow full rotational mobility in shoulder and arm.
- Shaped panel over the shoulder eliminates the shoulder seam and makes a smoother line.
- Increased under arm gusset allows more manoeuvrability when reaching overhead.
- Two action pleats added at the back shoulder.
- 3M triple trim.
- 2 x Radio pockets
- PBI outer material 210 grams
- Gortex airlock moisture barrier fixed into garment.
- Certified to AS4967-2006 Level 2

**Mannequin Wears:**

- **F10 AS4067 Helmet**
- **ESKA AS2161.6 Level 3 Glove**
- **Lifeline PBI Hood**
- **Taipan Boots**
- **UKE 4AA LED Torch**

PROTECTING THE WORLD'S FIREFIGHTERS

# ERGOTECH ACTION

**Trouser:**

- Fully articulated knees with convex seams around the knee for greater flexibility when bending/climbing.
- Shaped seaming on back of knee to reduce fullness when crawling.
- Top of trouser contoured to the body with raised back and elasticated adjustment across the lumbar region.
- 'H' patter braces.
- Two large thigh cargo pockets.
- 3M triple trim.
- PBI outer material 210 grams.
- Gortex airlock moisture barrier fixed into garment.

Extremely high quality workmanship and finish with an extensive size range.

**Ergotech Action** garments are available in other fabric combinations.
