

The fastest and easiest way to be seen and to be safe!

It uses an urgent flash rate, high luminosity LEDs and a patented fresnel lens to provide maximum visibility, effective for more than 1km.

It has an impact resistant ABS body and cap as well as a shatterproof polycarbonate lens, designed to survive a drop from 1 metre height onto a concrete surface. It is gasproof and waterproof.

Very compact and light, making it easy to carry and stow anywhere, and requires alkaline batteries to offer up to 50 hours operation.

Available in a variety of 1 or 2 colour light combinations, either as steady on or flashing mode. With a variety of accessories, it easily attaches to clothing, vehicles, cones and bollards.

Patented fresnel lens to maximise beam conspicuity, visible for more than 1km

High-luminosity solid state LEDs rated for greater than 100,000 hour operating life.

Shatterproof polycarbonate lens to ensure maximum clarity, strength, durability and shock resistance

Low battery indicator to show when the batteries need to be replaced (not included in 300 series)

Failsafe positive activation microswitch to prevent accidental turning off or on of beacon

Reflective strip and fluoro body to maximise visibility, day and night

Most models have an operating life of more than 40 hours for each set of batteries.

Impact resistant ABS body and cap to maximise toughness and durability of beacon

Coloured pins indicate the beacon light colours

Advanced battery protection system to protect circuits and batteries from shock if the beacon is dropped

High strength clips to permit attachment of beacon to cones, signs, belts or vehicle windows

Precision o-rings to ensure beacon is waterproof, dustproof and safe to operate in hazardous areas

HAZMAT Accreditation:

Certified to operate safely in Class 1, Division 2 / Zone 2 hazardous areas.

Certificate of Conformity No AUS Ex 3783X issued by TestSafe Australia to Ex n.IIC T4 (Tamb 60 °C) IP66

MODEL	OPERATION INTENSITY	LIGHT AVAILABLE	COLOURS
HZ510	 FLASHING ONE COLOUR	★★ EXTRA BRIGHT	Red, Amber, Blue, Green, White
EF512	 FLASHING ONE COLOUR	★★★ SUPER BRIGHT	Red, Amber
HZ530	 FLASHING TWO COLOUR ALTERNATING	★★ EXTRA BRIGHT	Red / Blue, Red / White Red / Amber Amber / White Blue / White Green / White Red / Green
EF532	 FLASHING TWO COLOUR ALTERNATING	★★★ SUPER BRIGHT	Red / Blue Amber / Blue
IR510	 FLASHING ONE COLOUR	★★ EXTRA BRIGHT	Infrared (not visible to the naked eye)
ER300	 FLASHING ONE COLOUR	★ STANDARD	Red, Amber
LS510	 FLASHING ONE COLOUR PHOTOCELL OPERATION	★★ EXTRA BRIGHT	Red, Amber
EF521	 STEADY ON TWO COLOUR COLOUR SELECT MODE	★★ EXTRA BRIGHT	Red / Green Dual Function
TF510	 ONE COLOUR INTEGRATED FLASH AND TORCH	★★ EXTRA BRIGHT	Red
TF610	 ONE COLOUR INTEGRATED FLASH, STEADY ON AND TORCH	★★ EXTRA BRIGHT	White

Range of Eflares

The variety of hazards and emergencies listed below are only a small number of situations when Eflare could be easily deployed to provide protection when you need it most.

The possible applications are only limited by your imagination!

Emergency Services

- Personal visual protection
- Location alert
- Traffic management
- Accident or hazardous scene alert
- Helicopter landing zone demarcation

Industrial and OH&S

- Forklift area demarcation
- Unusual hazards
- Obstacle identification
- Roadside skip alert
- Cleaning and maintenance

Mining and Oil

- Hazardous area demarcation
- Directional markers
- Maintenance
- Vehicle breakdowns

Rail and Port

- Overhead crane alert
- Crane boom night light
- Hazardous area demarcation
- Maintenance

Trucking and Transport

- Breakdown
- Accident
- Location alert
- Vehicle loading and unloading

Automotive

- Breakdown
- Accident
- Location alert

Aviation

- Emergency landing strip
- Directional markers
- Location alert

Military

- Landing zone demarcation
- Location alert
- Transport applications
- Emergency services
- Infrared applications

Marine

- Breakdown
- Man overboard
- Accident
- Location alert

Agriculture

- Livestock crossings
- Night harvesting
- Vehicle loading and unloading
- Location alert

Recreation

- Location alert
- Accident

Eflare Accessories

Cone Mount Clip

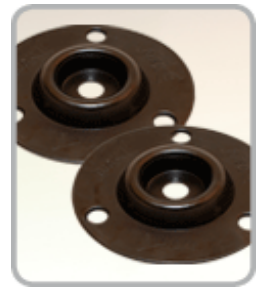

Magnetic Clip

Suction Clip

Beacon Hood

Rubber Base

Aviation Base

Magnetic Base Mount

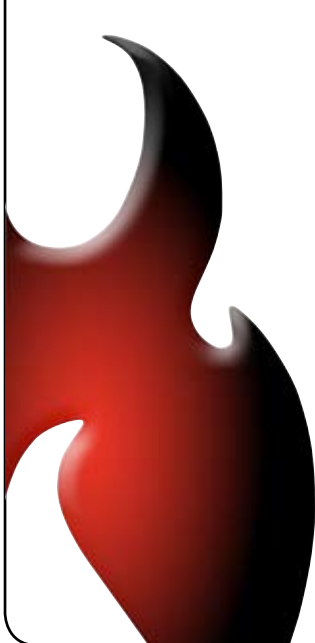

Flotation Collar

2 & 4 Beacon Carry Bags
