## ABOUT US

We are a division of Savatech d.o.o., the mainstay of the development of rubber manufacturing within the Sava Group. We manufacture and sell rubber products for environmental protection and rescue operations. Our growing division was established thirty years ago and is constantly striving to meet our customer's current and future needs and expectations.

### KNOWLEDGE AND EXPERIENCE

Thirty years of experience and knowledge, investment in new technology, team-work and working closely with our business partners, has enabled us to develop new and exciting products and to continuously improve our existing product range.

### PROFESSIONAL SERVICE

A professional but caring approach, flexibility and quick delivery times combined to provide the ideal service in support of our quality product range.

### QUALITY PRODUCTS

When assessing quality of our products we carefully consider a number of criteria including environmental suitability, ease of use, design, safety, reliability, and packaging. Our production facilities are certified to the ISO 9001 and ISO 14001 standards.

### A PARTNER TO RELY ON

We understand the value of long-term business relationships. Our aim is to develop trusting relationships, which foster success and bring benefits to both our partners and ourselves.
